Spring Meeting - 10.30am, Saturday 9 June 2018 Walk at New Passage and Northwick Warth, followed by lunch

I will be leading a guided walk around New Passage and Northwick Warth, close to the Second Severn Crossing in South Gloucestershire.

The area has a long and varied history, and its topography, flora and fauna are all interesting too. Learn about land reclamation, sea defences and flooding, settlement and farming, traditional fishing methods, migrating birds, the passenger ferry and railway line, and its former hotel and tearooms.

The walk, which involves climbing stiles and is over uneven ground in some places, lasts two hours. It will be approximately 5km, beginning and ending in Redwick. Some footpaths may be muddy, so please wear appropriate footwear. A ploughman's lunch and dessert (plus tea or coffee etc) will follow in Pilning. Cost £8 per person. Full details will be sent on receipt of booking.
